

**NERDWARE<sup>®</sup>**

Tech. Automation Solutions

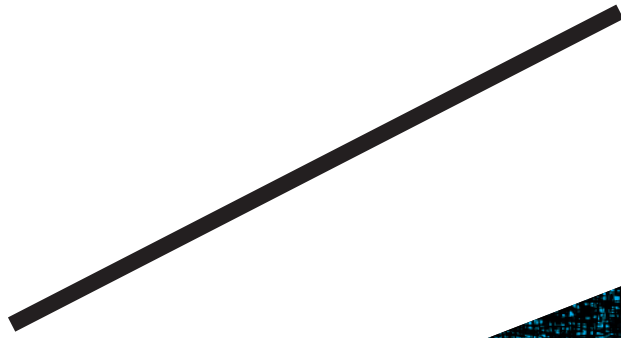

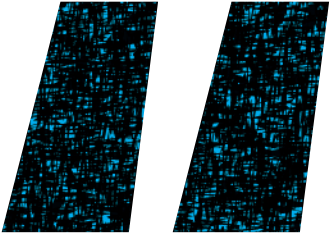

**High quality  
websites &  
softwares are  
rare & expensive.**

We solve this problem by  
providing you the best  
technology solutions for  
your business within your  
budget.

WH  
WE  
ARE ?

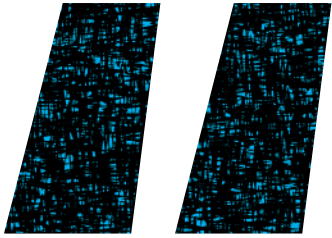

NerdWare Tech is an IT services, consulting and business automation solutions company that helps its global clientele achieve enterprise transformation by harmonizing people, business processes and technology.

Your website is an important part of your business - make sure you treat it seriously.

MISSUR  
ZUR

To provide a range of easy to use business applications that form a complete suite of tools to accompany any business need.

We think business software should cover complex needs without being complicated.

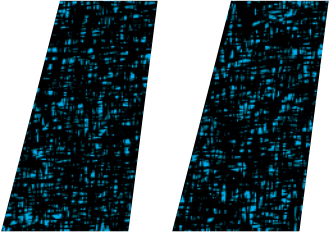

Our mission is to provide software that is intuitive, full-featured, tightly integrated, effortless to upgrade, all while running smoothly for every business, every user.

Our motivation of work is reliability, efficiency and innovation.

OUR  
VISION

Our vision is to provide quality software solutions in the competitive global marketplace, try to develop in a constant manner and grow as a major IT service provider while maintaining a good relation with our clientele.

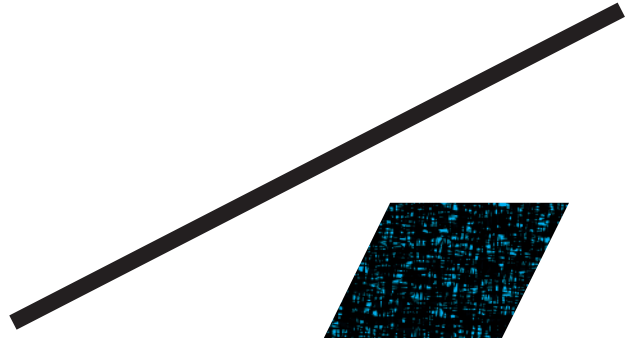

Our professional, flexible and integrated process reflects in what we do.

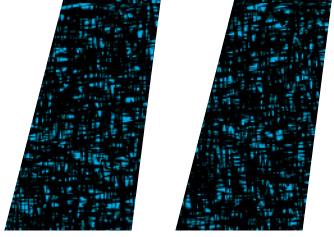

Enabling digital  
business  
transformation  
from government  
organizations to  
private enterprises.

WHY  
US?

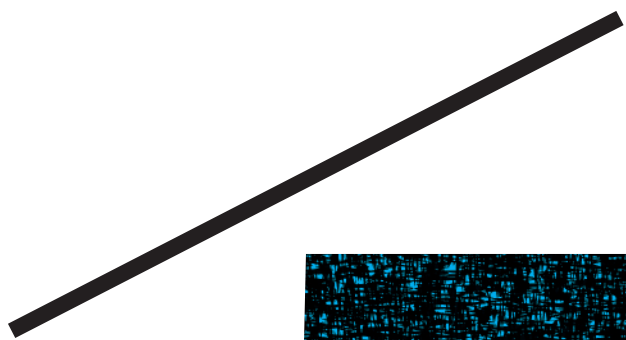

- We Understand Your Requirements.
- Friendly Dealings with Customers.
- Competitive Price Guarantee.
- Flexible Development Model.
- Superb Customer Support.
- Quality and Standard.

Our motivation of  
work is reliability,  
efficiency and  
innovation.

UR PRO:D  
O UCTS
